## TWIST 'N' SIP™ Coffee

**1.0** Twist lid until the two marker lines meet. Carefully pull apart lid cover from lid base. Unscrew the lid base and remove from cup.

**2.0** Pull the coloured insert away from outer cup and remove.

**3.0** Remove silicone mouth piece.

**4.1** Wash the cups, lid cover and lid base in the dishwasher (top rack only). NB; Silicone mouth piece must be washed by hand in warm soapy water or...

**4.2** Hand wash all the components of the cup and lid with warm soapy water.

OR

**5.0** Ensure all components of cup and lid are completely dry before reassembling. Ensure marker lines meet when reassembling lid and twist to secure. Enjoy!
